

Around the Globe with NCURA Regions 1, 2 & 8

Virtual workshops | June 21 - 23, 2023

National Council of University Research Administrators (NCURA) Regions 1, 2 & 8 will hold four virtual collaborative workshops designed to engage NCURA members & non-members from diverse regions to bridge the gap between research administrators/managers working domestically in the US and abroad live via Zoom web conferencing between **Wednesday 21st - Friday 23rd June 2023**.

The workshops will provide participants with the following:

- diverse perspectives to gain in-depth knowledge and skills in navigating the world of research funding
- practices of research management hot topics involving international collaborations
- learn strategies to manage risks in dealing with the rapidly changing landscape of research funding

The event is entirely virtual and provides a budget-friendly way for members and non-members to gain a global perspective of research administration. Each day's sessions will run for 2 hours, including instructors from all three regions held at varied hours to accommodate global time zones. [Learn more](#) & [Register](#).
